Hi team,

Wonderful news! We are excited to share that we have been selected as a Regional Winner in the Best Tech for Good category for the 2022 Timmy Awards by Tech in Motion! As some of you know, Regional Winners were decided by our community through online voting, so thank you to everyone who helped spread the word. We now advance to the North American Round, where all finalists will be judged by a panel of experts, with the winners being announced live at the Timmy's virtual ceremony on November 10th. Be sure to save the date and join us to see if we take home the North American Timmy! Thanks again to everyone who worked so hard for us to achieve this honor.
