ABOUT THE TIMMY AWARDS

Celebrating the Best in Tech

Since its inception in 2015, the Timmy Awards mission has been simple - to celebrate the best places for tech professionals to work. 9 years later, the Timmys now honors excellence across 8 best in tech awards: Best Tech Startup, Manager, Work Culture, Enterprise Employer, Workplace for Diversity, Tech Team of the Year, Remote Work Culture, and Tech for Good.

Today, the Timmy Awards have become a highly sought-after recognition for startups and the Fortune 500 alike, with over 1,200 companies nominated last year alone. This is our ultimate tribute to tech and an opportunity to celebrate the incredible ongoing evolution in this industry.
